

Project: Media Literacy

Activity C5 - Short Term Exchanges of Pupils

Laboratory on: “Lab on fake news and how to detect them”

Dates: 28th – 30th March 2022 - Galabovo, Bulgaria

Host organization: Vocational High School of Energy and Electrical Engineering, Galabovo

Address: Industrial Quarter, Galabovo, Bulgaria

Group work instructions:

The students are divided into 3 groups. Every group has to write a newspaper article on one of the following:

- Bulgarian rose (possible aspects: history, when the roses were introduced in Bulgaria, annual production, etc.)
- Archeological discoveries: The Alexandrovska tomb (possible aspects: the life of people in that time, who is buried there, etc.)
- The artifacts in the Stara Zagora history museum/ the Panagyurishte Thracian Gold Treasure (possible aspects: the history of an artifact that has impressed you)

The articles have to combine fake news and real facts. After reading the article, the other groups have to guess what is fake and what is true in the news presented.
